In support of

TYPE 1 DIABETES NEVER TAKES A DAY OFF.

Every day in Western Australia, children, teens and adults live with the constant demands of type 1 diabetes - the monitoring, the decision-making, the mental load, the fear of complications.

For families, it can be isolating and overwhelming. The Type 1 Diabetes Family Centre exists to change that. Through education, community and holistic care, the Centre helps families feel supported, informed and less alone.

Your support helps families move from survival mode to living full lives.

**\$1 million raised for WA families -
and we're just getting started.**

Origin

Flametree
MARGARET RIVER

Rob Towner, Director, Flametree Wines, and former Chair and Director, Type 1 Diabetes Family Centre Board, founded the Flametree Wines Luncheon in 2011, with the aim of gathering his family, friends, and business contacts together to raise much-needed funds to help Western Australians in need.

Since then, the Luncheon has grown in profile, popularity, and profitability to become the sought-after event that it is today.

ABOUT FLAMETREE

Flametree Wines Cellar Door and Winery is located on the picturesque shores of Geographe Bay and is conveniently located just off Caves Road between Busselton and Dunsborough.

Owned by the Towner family, Flametree Wines is a proud team, committed to producing consistent, distinctive Margaret River wines while building on long term, loyal brand advocates through memorable wine experiences.

Established in 2007, Flametree has quickly become renowned for its award-winning Chardonnay and Cabernet Sauvignon wines; the two hero varietals of Margaret River. Of the portfolio, the Flametree core range and the S.R.S. (Sub-regional Series) have achieved the highest degree of recognition from wine reviewers and the wine show circuit, with a long list of 95+ scores out of 100 and gold trophies. The Sub-regional Series is a powerhouse of elegant, complex styles which typify the remarkable attributes of each of the unique terroirs within the region.

More than \$1 million raised - and counting.

To date, the Flametree Wines Luncheon has raised over \$1 million to support Western Australians living with type 1 diabetes.

These funds help the Family Centre provide:

- Education programs for newly diagnosed families
- Mental health and wellbeing support
- Community connection initiatives
- Practical tools for managing daily life with type 1

Every table, every bid
and every sponsor
helps change lives.

Partnership with purpose.

Sponsoring the Flametree Wines Luncheon is more than visibility - it's a genuine contribution to the wellbeing of WA families.

Sponsors benefit from:

- Alignment with a respected WA charity
- Exposure to a high-value audience
- Brand presence in a premium event environment
- The opportunity to demonstrate meaningful community impact

It's a partnership that reflects generosity, leadership and care for community.
