

WANT TO MAKE YOUR CHRISTMAS COUNT?

This Christmas we can help make a great difference for people living with type 1 diabetes. It's one of the world's most challenging conditions, and people living with it need connection, education and support to live their best lives.

The Type 1 Diabetes Family Centre - a not-for profit organisation in Perth - empowers and supports all people living with type 1 diabetes to live their life, their way, and to thrive, not just survive.

Let's help fill the Family Centre's Christmas sack - raising vital funds for vital programs - gifts that keep on giving!

Scan and donate now!

Thank you from the TYPE 1 DIABETES FAMILY CENTRE
